3. Information other than EOB (i.e. technical characteristics or other data that might indicate collection media) will not be incorporated into any document produced by a lower command until such time as this information is published by Headquarters, U.S. Army, Chief of Naval Operations or Headquarters, U.S. Air Force, ATIC or NTPC.
5. Prior to incorporating TALENT derived data into EOB publications the information will be reviewed and approved by a service headquarters command TCO or a TALENT cleared representative who may be designated to perform this task.
7. A record will be maintained within the TALENT secure area and a list kept on file with the publishing command; TCO of all TALENT derived data that has been incorporated into EOB publications.... The method of reporting this information will follow the guidelines of the suggested format contained as attachment to Annex G of the referenced policy manual.
